

Evergreen Facilities Management

Your reliable partner for comprehensive property maintenance and facility management solutions.

About Us

Discover the Vision Behind the Service

At Evergreen Facilities Management, we believe that excellence lies in the details. As a leading provider of integrated facility solutions in India, we go beyond maintenance, we create environments where people feel safe, supported, and inspired.

From high-rise offices to educational campuses, residential complexes to retail hubs, our services are tailored to meet the unique needs of every space.

We offer a wide range of solutions including facility and asset management, professional security, realty support, event coordination, office staffing, housekeeping, and clubhouse operations, all under one roof.

Our strength lies in our people, our processes, and our passion for perfection. With a client-first mindset and a dedication to operational excellence, Marksmen continues to redefine service standards across industries.

Whether it's ensuring spotless spaces, secure premises, or smooth operations, we're the silent force that keeps things running effortlessly.
